Attention! The purpose of this test subscription is to obtain experience with the RTK network services of 06-GPS and to test the feasibility for the GPS-RTK tasks of the applicant. This test subscription is valid for 1 month starting at the date given by the applicant and gives access to the central phone numbers and NTRIP server of 06-GPS. There are no subscription costs but only variable costs of Euro 0.25 per minute excl. VAT for this subscription. After the month test period the subscription can be changed to any of the other types of subscription, using the subscription forms provided on the website. When You next decide to take an all-in year-subscription, the variable costs of the test subscription will not be charged, menain gthe test subscription is absolutely free. See Price List Network Services 06-GPS.
