Attention! The purpose of this test subscription is to gain experience with the RTK network services of 06-GPS and to test the usability of GNSS-RTK for the tasks of the applicant.
This test subscription is valid for 1 month starting at the date given by the applicant and gives access to the NTRIP server of 06-GPS.
The subscription for a test account is free of charge.
After the month test period the subscription can be changed to any of the other types of subscription, using the subscription forms provided on the website.

See Price List Network Services 06-GPS.
